The Fieseler Fi 156 Storch (stork) was a German liaison aircraft built before and during World War II, and even post war in France. It contains: scale plans in 1/72nd, 1/48th and 1/35th scales; photos and drawings from Prix pour les deux : EUR 43,28 . No doubt the editors figured 1/35th scale was better than none at all.
